

LABEL COLLECTION DRIVE – Back To School Night – August 23, 2016

Just a reminder that our school still collects Box Tops for Education and other labels and codes to help raise money for our students. To kick off the 2016-2017 school year, we will

be having a Label Collection Drive during Back to School Night on Tuesday, August 23, 2016. Please bring your all your labels and codes in during our Back-to School night while you are picking up your students schedule. We will have a table you won't be able to miss where you can drop off labels and pick up a free collection bag and magnet as well as other label information and handouts.

In addition to Box Top labels (BTFE), our school also collects: Labels for Education (LFE), Coke Rewards (codes found under bottle caps and inside marked packages),

Tyson A+ labels and now Kellogg Family Rewards throughout the year.

Please continue to support our school through these worthwhile programs and ask relatives, friends, neighbors and coworkers to clip too!
